Subj: Amendment to Update Volumes 2 and 10 of the Deer Creek Mining and Reclamation Plan, Pacificorp, Deer Creek Mine, C/015/0018, Emery County, Utah

PacifiCorp, by and through its wholly-owned subsidiary, Energy West Mining Company ("Energy West") as mine operator, hereby submits an amendment to update Volume 2 and Volume 10 of the Deer Creek Mining and Reclamation Plan to include the guardrail that was installed parallel to the Waste Rock Site access road. Approximately 1,230 feet of guardrail was installed in May 2004 as required by a Mine Safety and Health Administration (MSHA) inspection of the site.

One map and one exhibit in Volume 10 will be changed as a result of this action. Map 4-5 in the Maps Section includes a denotation of the guardrail and Exhibit 1 on page 4-3 in Section IV, Engineering Designs includes the guardrail in the typical road cross-section.

In Volume 2, R645-301-800 Bonding, demolition costs associated with removing the guardrail from Waste Rock Site area have been added. Under the Demolition Costs Section, Item 1AB Guardrail, these itemized costs have been listed. This change is found on page 26 of 33. The Demolition Summary page, page 1 of 33, reflects this amended cost. The Total Cost Summary page found at the start of the Bonding Section has also been amended to reflect this cost.

The Total Cost Summary page has also been amended to calculate the difference between the current bond and the amount that is listed in the Surety note. This was included to assist in tracking when the Surety may need to be increased. With this amendment, the estimated reclamation costs [in 2008 dollars] is rounded to \$3,997,000.00. The amount held in Surety is \$4,113,000.00 or a difference of \$116,000.00.

A redline/strike and clean copy of the amended pages has been included with this submittal. The required C1/C2 forms are also included. If you have any question or concern with this submittal please feel free to call myself at (435) 687-4712 or Dennis Oakley at (435) 687-4825.

Sincerely,

Kenneth S. Fleck
